

# LENOIR~RHYNE UNIVERSITY

## KIDS IN COLLEGE

Mission: To expose children to the university environment through enrichment, exploration and creative thinking.

**Kids In College** is scheduled for June 27-July 1, 2011. This year the program is designed for students completing Kindergarten-Grade 5. The theme is Exploring Our Earth. The program is designed for Academically Gifted students or teacher recommended students with high academic qualifications from the following criteria:

- Identified Academically Gifted
- Achieved a Level 4 on the EOG
- Maintained an A average on Math or Reading
- Recommended by your current teacher

Experienced and licensed teachers will be chosen to facilitate the program!!! The classes will be held in the Rhyne Building. Drop off and pick up will be at the front of the Rhyne Building. The times are 8:30 A.M. until 3:00 P.M. Students choose the week they prefer. They may attend both weeks if they choose. Different activities will be provided each week. Space is limited so early registration is encouraged. The cost is \$325 per week. Lunch is provided in the LRU cafeteria. The Director is Professor Joan Huffman. The contact information is:

Phone# 828-238-3747 Email: [Joan.Huffman@lr.edu](mailto:Joan.Huffman@lr.edu)
